Transfer Credit Listing

Transfer Credit Listing

The TROY Transfer Credit Listing is designed to be a resource to identify potential transfer credit and associated TROY course equivalents from completed course work at other regionally accredited institutions of higher education. It is in no way an official determination nor a guarantee of transfer credit award. All students wishing to receive transfer credit toward a degree with TROY must have an official transfer credit evaluation performed by the university upon admission to the university and registration in at least one term with TROY. All information contained within these pages does not necessarily reflect current catalog course listings for TROY or the transferring institution. These transfer listings are primarily based on academic catalogs since Fall 2005. Therefore, please understand that these listings are a culmination of TROY courses and transfer courses as of this current date. It is not necessarily a complete listing of all possible transfer courses from any one institution, although, the most common transfer institutions for TROY will display more extensive course listings. As requirements and course descriptions may change, this listing is subject to change.

Other articulation agreements should be used in the process of transfer credit evaluation, with the exception of courses ineligible for transfer credit due to accreditation issues/regulations that may apply to specific majors.

For more information on the transfer credit process, please contact the Academic Policy, SOC programs, credit by examination, or the Academic Evaluation Center. For more information, please visit www.lsc.edu/academics/academic-resources/records-office/
