

Troy University seeks to admit students who possess the intellectual capacity, maturity, previous training, and motivation necessary for success in educational programs. Troy University welcomes applications from a variety of students including traditional college age students, adults who will combine their educational pursuits with work, or life-long learners who are simply seeking enrichment. Programs and courses are offered for full-time and part-time students, and are offered in a variety of formats and times including traditional day classes, night classes, and weekend classes. Programs or classes are also available online and through other alternative methods of educational delivery.

Students are encouraged to apply well in advance of proposed start dates. The University reserves the right to investigate and review the records of any applicant to determine the applicant's eligibility to enroll.

All applicants who are graduates of accredited high schools must submit an official transcript showing graduation and a minimum of 15 Carnegie units, with three or more units in English. Of the units presented, 11 must be in academic courses.

If fraudulent information is discovered during the application process, including transcripts and test scores, the University reserves the right to deny admission. If the discovery occurs after admission and class registration, the student may be administratively withdrawn.

pleting the first term of enrollment. Once all appropriate documents have been evaluated, a decision regarding regular admission to the University will be made. Students not meeting the undergraduate admission requirement will not be permitted to enroll in subsequent terms or semesters.

Transfer applicants must have attempted at least 24 credit hours of coursework, excluding developmental/remedial courses, at other regionally accredited colleges or universities.

Academic credit and/or degrees accepted by Troy University must be earned at regionally accredited U.S. institutions or at foreign universities whose academic credit and/or degrees have been evaluated and determined to be equivalent to that awarded by a U.S. institution. All transfer credit is evaluated in terms of level, content quality, comparability, and degree program relevance.

Transfer applicants must have official transcripts (on security paper with registrar's signature and without "issued to student") from each college or university they have previously attended sent directly to 100 University Park, Troy University, Troy, AL 36082. Transfer applicants must also submit transcripts from colleges where registration was completed, even though credit might not have been earned. Transfer applicants must have attempted a minimum of 24 hours of non-developmental/remedial coursework at another college or university to be admitted as a transfer student. A student may not be enrolled at another college or university and Troy University at the same time without prior approval of the Associate Vice Chancellor of Enrollment Management or the appropriate campus designee.

Transfer applicants will be granted unconditional admission if they are in good standing at the last college attended and if they have an overall GPA of 2.00 (4.00 scale) or better on all college/university work attempted. Technical and developmental/remedial work is not considered in determining grade point average. Applicants who have been suspended from another institution for any reason must be eligible to return to that institution before being considered for admission to Troy University. No conditional admission provision is available for transfer students. Applicants not meeting the unconditional admission requirement who demonstrate significant potential for success and have perhaps overcome legitimate and extenuating circumstances, may be granted admission by appealing to the Associate Vice Chancellor for Enrollment Management or designee.

Active duty military applicants who may not be able to provide all required documents for admission due to reasons such as deployment, may appeal to the dean of enrollment on appropriate campus designee for special consideration.
