Students not satisfying the minimum grade point average requirements for unconditional admission may be conditionally admitted to the program. Conditionally admitted students must complete BUS 6600, MSM 6610, and MSM 6633 with a 3.0 or better average to be granted unconditional admission and continue in the program. After completion of these three courses, students not obtaining unconditional admission status will be dropped from the program for one calendar year, after which time the student must petition for readmission. A letter of recommendation is required with all readmission applications for the MSM program. The letter should address the individual's potential for success in the MSM program as well as his/her written and oral communication skills.

Temporary Admission may be granted to applicants who have not submitted the letter of recommendation, student acknowledgement form or official undergraduate transcript. Temporary admission is only for one semester or term and must follow the requirements outlined under Conditional Admission.

A maximum of two courses (six semester hours) taken at another AACSB accredited institution, each with a "B" grade or better, may be applied toward the degree. This is not automatic or guaranteed. Credit accepted for transfer into the MSM core or to satisfy specified program courses is limited to institutions holding AACSB accreditation (or those approved through the Sorrell College transfer credit review process) for their business programs. These courses must be comparable in catalog description, level, and content to Troy University courses.
