EDUCATION

Clemson University

Ph.D. Parks, Recreation & Tourism Management, 2011
Emphasis: Travel & Tourism.
Cognate: Parks and Conservation Area Management
Dissertation:

Eastern Kentucky University

M.S., Biological Sciences, 2004
Emphasis: Applied Ecology.
Thesis:

Clemson University

B. S., Aquaculture, Fisheries & Wildlife Biology, 1998
Emphasis: Wildlife Biology.

SCHOLARSHIP & RESEARCH ACTIVITIES

My research focuses on sustainability, social-ecological resilience, and community development with a holistic approach across social, ecological, economic, and institutional domains of social-ecological systems. This work is largely conducted through the lens of tourism, such as ecotourism, agritourism, sustainable tourism, community development through tourism, tourism planning and global issues in tourism but crosses into areas like food security, natural resources, social justice and faith/spirituality.
