Troy University - Unduplicated Headcount : 27,270

Definitions

1. Total by Home Location - Total number of students based on the student's home location. These figures are duplicated counts since some students may be enrolled at multiple locations.
2. Total by Course Location - Total number of students enrolled in a course at the location listed.
3. Unduplicated Headcount - Total number of students enrolled throughout the University. Each student is counted once regardless of the number of campuses/sites at which the student is enrolled.
